not the very best Cough Medicine now before the public.—
It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in Medicines, and Physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you it is the best medicine extant. Below we give a few extracts from letters we have received leatly regarding the virtues of this medicine.

Dr. S. S. Osim, of Knoxville, Ga., says.—I have been using your Liverwort and Tar very extensively in my practice for three years past, and, it is with pleasure 1 state my belief in its superiority over all other articles with which am acquainted, for which it is recommended.

Messrs. Fitzgerald & Breuners, writing from Waynesville, N. C., says:—The Liverwort and Tar is becoming daily more popular in this country, and we think Justly so. He gives an instance (is negro woman in his vicinity, who had been suffering with disease of the Lungs for years, attended with sever cough, who was relieved by the Liverwort and Tar. Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering patient to read the pamphlet which accompanies each bottle. To al we say, have ope, have hope! ope, have hope!

JOY TO THE WORLD! THE ONLY INFALLIBLE REMEDY Hurley's Sarsavarilla.

OF all the remedies that have been discovered during the present age for the "thousand tils that fiesh isheir to," none equal this wonderful preparation. Only three years have elapsed since the discoverer (who spent a decade in studying, experimentalizing and perfecting it) first introduced it to the public, and it is already recognized by the most eminent physicians in all parts of the country to be the most surprising and effective remedy for certain disenses of which they have knowledge.

All other compounds or syrups of the root have hitheric failed to command the sanction of the faculty, because, on boing tested, they have been found to contain noxions ingredients, which neutralize the good effects of the sarsapartile, and eitentimes injure the health of the patient. It is not so with Huricy's preparation.

This is the pure and genuine extract of the root; and will, on trial, be found to effect a certain and perfect cure of the following complaints and diseases:

Affection of the Bone,

Debility,

Indigestion, O present age for the "thousand ills that flesh ishelf to

Debility, Diseases of the Kidneys, Liver complaint, Pulmonary Diseases, Scrofula, or King's Evil, Byphilis, Rrysipelas, Pemaie Irregularities,

Pistula, And all Diseases of the Skin. Besides curing the above, it is also known to be a gre and powerful tonic, purifying the blood and invigorating it system.

In short, it is without exception, in the cases mentioned and its general effect on the system, the most efficacious, as it is most desirable, remedy of the age. It is already extensively used throughout the country, and is fastobianing an Buropern reputation. The instances of cures it has effected Street used throughout The instances of cures it has effected are daily coming to the proprietor's knowledge, and he has nobesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt.

Recollect Hurley's Sarsaparilla is the only genuine article in the market.
